About This Content

Purchasing Leon Chameleon will permanently unlock this character in Awesomenauts. The character can also be purchased with Awesomepoints in-game, and is included in the [Awesomenauts Starter Pack](#).

Leon Chameleon is an accessible melee assassin that can turn himself invisible and use his tongue to pull enemies towards him. He comes equipped with the following abilities:

- Become invisible to your foes, leaving a dummy to confuse them.
- Tongue-grab your enemies and pull them towards you.
- Slices your opponents enemies with a razor-sharp lightsword.

Leon's life is a life of crime, women, and borrowing without returning. He lost his arm in an unfortunate jeu de boules incident and spends most of his time smoothly escaping debt collectors. He found himself becoming the most wanted criminal on the planet after accidentally breaking into the bedroom of the prime minister's wife, while looking for the wine cellar.

He knew no amount of charm could save him this time and planned his escape, which was eventually delayed because he refused to escape in anything else but a space yacht.

Leon joined the Awesomenauts for some quick cash, spending it on beautiful women and exquisite meals. In combat, he puts his natural reptile abilities to some good use and slices up his enemies with great precision. Combat is a form of art for this green gentleman.
